Wood touched by Light

Burkhard Dämmer

The Icon lamp is designed out of three flat sheets: two identical metal-sheets and a sheet of veneer. Put together this way the lamp offers two perspectives.

A “slim” form from the side and the silhouette of a lamp icon from the front view.

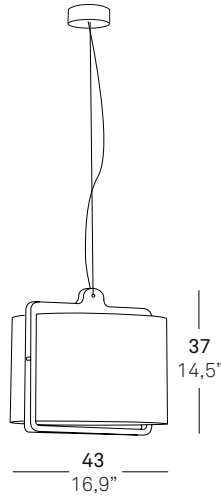

La lámpara Icon está formada por tres hojas planas: dos metálicas idénticas y una de chapa de madera.

De esta manera Icon ofrece dos perspectivas, una forma

ligera en la vista lateral y la silueta de un icono de lámpara para la vista delantera.
